What We Can Do For You!

**Hit a wall teaching yourself? Current teacher not cutting it?
We provide high quality tuition customised to your goals.**

Free Evaluation Session

Complimentary session, just so you can see how we can help.

Before jumping in to any commitments, we welcome you to try out a free evaluation session, on us! This helps to break the ice and get an idea of what you'd like to achieve with your playing - plus it gives you the opportunity to see if this is something you'd enjoy!

Expert Instrumental Tutors:

Guidance from professional musicians who work in the industry.

Every single member of our team is an active musician, and not just a teacher. This way, you know that you are learning from someone that has up-to-date expertise, highly developed musicianship, and insight into their craft they can share with you. Each of our teachers has a tertiary music qualification.

Tuition: What is included?

We include extra value in addition to your regular session.

- **1hr Instrumental Tuition Session**
Guitar, Bass, Piano, Vocals,
Songwriting & Music Theory.

students to hone their stagecraft and
performance skills together.
- **Student Email Support**
Feeling a bit stuck or have any
queries? You can email you teacher
anytime outside of your usual lesson.
- **Customised Lessons & Practice Plans**
Lessons are tailored to your goals.
We also supply you with practice plans
to help you keep making progress.
- **Access our workshops & master-classes.**
Stagecraft & performance, songwriting.
- **Exam preparation & accompaniment**
We are always happy to assist with
audition & exam preparations.

Private Tuition: Classes we offer:

Skype, Studio, Training & Group Sessions available.

Currently, we offer training & tuition in **Guitar, Bass, Piano, Music Theory & Songwriting**. Whether you are an absolute beginner, or an advanced player, we have you covered with expert guidance from seasoned musicians, helpful resources and student support services.

Specialised Private tuition can help you get an edge that no other learning medium can offer, especially with the professional guidance & insight we offer.

Unlike video lessons; We are focused on your playing, can react to and address any queries or challenges you might encounter. It also gives you the advantage where we can adjust things such as technique or material on the fly to suit your requirements.

So no matter what genre you love the most, we can help you advance!
Each level has a list of levels & proficiencies to help you gauge your progress.

Lessons are taught both via skype and in the studio.

(Please note, in-person sessions are currently only available in Melbourne, Australia).

Fundamentals: Beginners (Online & Melbourne)

Specially designed for musos just starting out on their instrument or aiming to fill some gaps in their knowledge. 5 levels of proficiency geared towards assisting you to develop a solid foundation of instrumental skills, music theory and to help you enjoy playing!

Development: Intermediate (Online & Melbourne)

Hit a roadblock with your playing? Or just looking to up-skill and make some new progress? Our Intermediate course can help! 5 levels of proficiency focused on applying foundation & intermediate skills, helping you to put them into practice. Proficiency breakdown available.

Mastery: Advanced (Online & Melbourne)

This level is dedicated to those that are one with their instrument, but seek out new challenges to further develop their mastery. In lieu of levels, this tier concentrates on customised technique, knowledge and playing challenges to suit the individual player.

Jam Circle: Group Classes (Melbourne Only)

A fun & cost effective way to learn your instrument whilst enjoying playing with others! Jam with up to 3 other musicians in group activities, all whilst working on your own goals. Covers learning pieces, techniques, reading charts, foundation skills & fundamentals.

Training Sessions (Online & Melbourne)

Whether you're prepping for exams, practicing for an audition, or working hard to get a piece or technique under your fingers - Our training sessions provide professional assistance to help you get an edge. Each session you set your goal and work towards it.

Workshops, Programs & Performances:

Student performances, workshops, master-classes & programs.

Naticus Music offers a range of individual workshops and master-classes ranging across a number of topics such as instrument maintenance, songwriting & composition, drum circles, solfege, genre studies and good old jam sessions - just to name a few!

Everything we work towards during the year will go towards an end of year student performance. In 2020, we'll also be working towards creating our first music camp and songwriters retreats.

Rescheduling & 24hr Cancellation Policy

Lesson rescheduling, holidays & late cancellations.

We absolutely understand how things come up suddenly which could get in the way of your lesson, so don't worry, we have you covered!

Teacher Cancellations:

If a situation arises where the teacher isn't available, Naticus Music will provide as much prior warning as possible. Should an event such as an emergency arise that would impact your booking, a make up lesson will be scheduled to make sure you're not out of pocket, or an alternate teacher will be provided; whichever works in best for you!

Student Cancellations (24hr Cancellation Policy):

Naticus Music requires 24hrs notice prior to your booking time for cancellations. Please note, this is to ensure your booking slot is secure, whilst providing a modicum of security to your teacher.

Cancelling inside of this 24hr period will result in forfeiture of the full agreed session fee. We understand that things happen to everyone, so please be assured we will do our best to work in with your situation.

If advanced notice is provided (outside of the 24hr cancellation window), we'll provide a make up credit to go towards a rescheduled lesson at your earliest convenience.

If you'd like more information, please see our full studio policy via the link below:

Make Up Lessons:

Using make up credits.

Naticus Music will always make sure you are not out of pocket should a genuine need arise to reschedule a lesson. As above, all lessons cancelled more than 24hrs prior to their booking will be supplied with a make up credit. This credit can be used to reschedule your lesson at time to work with you.

Should something unexpected arise, and you simply need to reschedule to another time that week - we'll do our best to help find something to suit. Please note, this will be subject to availability.

Make up credits expire 6 weeks after the booking date.
